Quick Switch

FNB

FIRSTNATIONALBANK

FNB makes switching your accounts quick and painless. Just read through our “Quick Switch” kit and follow our simple three step process. We also provide you with all the necessary forms to make it easy to redirect your automatic payments and direct deposits. Once you open your FNB account, be sure to **immediately stop using your old account**. If you need any assistance, please stop by any local branch or call us @ 1-337-783-4014.

1 Review your old account and determine if you had the following..

- **Automatic Payments**
(insurance, health club, utility payments, etc.)
- **Direct Deposits**
(payroll, social security, etc)
- **Online Banking and Bill Pay**

2 Automatic payments and direct deposit

If you have automatic payments or deposits, **make a copy** and complete the *Automatic Payment/Direct Deposit Quick Switch Form* for each payment or deposit. Bring them in to any FNB branch and we'll mail them for you.

3 Close-out your old account

Make sure that all checks have cleared and automatic payments and direct deposits have been switched to your new FNB account. **Make a copy** and complete the Existing Account Closing Notification Form to notify your previous bank that you are closing your account. Destroy all old checks, deposit slips and cards (atm/debit) associated with the old account.

NOTE... if you already receive Social Security or SSI benefits via direct deposit call Social Security Toll-free at 1-800-772-1213 (TTY 1-800-325-0778) to inform them of the change in your account.

Online Banking and Bill Pay Once your FNB account is open, let us arrange a quick demonstration on how to set up your online banking and bill pay system. It is that quick and easy!
